NORTH PARK FUND
ANNUAL GIVING for Student Success

Your Support. Our Future.

As North Park staff, faculty, and administrators, you are dedicated to our students in so many ways. You're hard at work across our campus in our classrooms and labs, library and chapel, residence halls and playing fields, and beyond.

You keep our students healthy, safe, and supported as they prepare for lives of significance and service.

Your commitment is deeply appreciated.

Your decision to support the **North Park Fund** is one more vital contribution. Your gift will ensure that University and Seminary students receive the scholarships they need to not only enroll but also complete their studies and graduate with pride.

We know your gift to the North Park Fund is *above and beyond*. From every student, every day: Thank you for all you do.

“North Park is helping me develop as a student and as a Christian. Your gift makes a difference for students like me. Thank you!”

Why I Give to North Park

“North Park threw open the world of nature for me. I support scholarships so more students also will get the best opportunities for success.”

Dr. Alan W. Bjorkman C'72
Professor of Biology

Christopher A. Hubbard S'10 G'10
Assistant Professor of
Management and Leadership

“Giving is a spiritual discipline for my wife and me. We give to North Park because it means so much to us, and because we see how the

University helps students embark on living lives of significance and service.”

“I support the North Park Fund because this is an excellent Christian University and I believe in our mission. I'm grateful for my Seminary degree that enables me to live out my call to theological education.”

Michelle Clifton-Soderstrom S'95
Professor of Theology and Ethics

“Students tell me they love North Park because of our community of professors, staff, and other students. I give because I know a North Park education would not be possible for so many students without scholarship support.”
